

Kyoto Landslide
COMMITMENT 2020

International Consortium on Landslides

15 June 2024

To ICL full members,

Call for 2024 New IPL project proposals

The ICL full members are invited to apply for 2024 new IPL projects.

The ICL published Vol. 1, Issue 1 and Issue 2, Vol. 2, Issue 1 and Issue 2 in 2023, and Vol. 3, Issue 1 in 2024 of the Open Access Book Series “Progress in Landslide Science and Technology (P-LRT).”

Progress in Landslide Research and Technology, Volume 1 Issue 1, 2022 SpringerLink	131,000 Access
Progress in Landslide Research and Technology, Volume 1 Issue 2, 2022 SpringerLink	117,000 Access
Progress in Landslide Research and Technology, Volume 2 Issue 1, 2023 SpringerLink	19,000 Access
Progress in Landslide Research and Technology, Volume 2 Issue 2, 2023 SpringerLink	35,000 Access
Progress in Landslide Research and Technology, Volume 3 Issue 1, 2024 SpringerLink	2,093 Access

Each ICL full member can publish one 20-pages article free of charge for one year.

The book has the category of IPL/WCoE/Kyoto Commitment activities.

- New IPL project leaders are requested to contribute their activity reports/achievements in the forthcoming few years.
- Ongoing IPL project leaders are requested to contribute their activity reports/achievements in the past years.
- Contributions to other categories; original articles, review articles, landslide lessons, teaching tools, technical notes, and World Landslide reports are also welcome.

Volume 4, Issue 1 Book contribution web will open in July after the termination of the current Vol. 3, Issue 2 Book contribution web: <https://equinocs.springernature.com/home>. Please have a look at the book editorial manager “EquinOCS”.

Those who are willing to apply for a new IPL project are requested to fill and send the 2024 application form to the KLC secretariat <klc2020@landslides.org> and the ICL Network <icl-network@landslides.org> **by 15 August 2024**.

Kyoji Sassa

Secretary General of ICL and KLC2020
